RURAL CHURCH SCHOOLS ACADEMY TRUST

DIRECTORS' REPORT

FOR THE PERIOD ENDED 31 MARCH 2025

The directors present their annual report together with the accounts and auditor's report of the charitable company for the period 1 September 2024 to 31 March 2025. The annual report serves the purposes of both a trustees' report, and a directors' report and strategic report under company law.

The trust operates 3 primary academies in Cheshire East. Its academies have a combined pupil capacity of 399 and had a roll of 362 in the school census in October 2023.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust.

The charitable company is known as Rural Church Schools Academy Trust.

The directors are the trustees of Rural Church Schools Academy Trust and are also the directors of the charitable company for the purposes of company law. Details of the directors who served during the period, and to the date these accounts are approved, are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Directors' indemnities

The trust has opted in to the Risk Protection Arrangement (RPA) offered by the Education and Skills Funding Agency. The RPA provides indemnity cover to trustees up to a total of £10,000,000 per academy per year.

Method of recruitment and appointment or election of directors

Under the Articles of Association, Trustees (or Directors) are appointed by the Members, who are in turn appointed by the Chester Diocesan Board of Education. There are 3 Members, of whom the Chair of Trustees is one. The initial 7 Directors were appointed by the Members at the establishment of RCSAT, as being the existing Chairs of the standing committees and the Chair of Directors. Future recruitment will be skills based.

Policies and procedures adopted for the induction and training of directors

RCSAT has a system for the induction and training of new trustees, under the control of the Clerk to the Governing Body. New trustees are provided with the necessary range of documentation and access to training by the Clerk once their appointment is approved.

Organisational structure

As detailed in the Scheme of Delegation, the responsibilities for the management of RCSAT is retained by the Board of Directors, but the detailed work is delegated to the 3 Local Governing Committees (LGCs) of the 3 academy schools, which examine the areas for their academy school previously covered by the standing committees of Achievement, Pastoral, Estates (excluding capital works), Finance/HR and Pay. The LGC chairs report each term, both in writing via LGC minutes and through attendance to the Board of Directors (BoD) on issues that require decisions by the BoD. The Directors work closely with the Executive Headteacher (EHT and AO) to ensure that all operational issues are managed by the EHT and governance overview is provided by the Directors. The Chair of Directors has weekly conversations or meetings with the EHT on all relevant matters.

Arrangements for setting pay and remuneration of key management personnel

Remuneration is considered by the Pay Committee, comprising the relevant LGC chair, at least one director and local governors none of whom are paid to work at the school, and recommendations are passed to the BoD for ratification.

Terms of reference of the Pay Committee include:

- Within the pay policy, to recommend the appropriate salary range for members of the leadership group.
- To recommend the appropriate levels of teaching and learning responsibility (TLR) allowances, acting allowances, if appropriate, and other pay matters,
- To recommend support staff pay awards, nationally negotiated.

Related parties and other connected charities and organisations

RCSAT operates under the guidance of Chester Diocesan Board of Education but is not formally part of that organisation's Academy Trust (CDAT). However, negotiations were concluded and on 1st April 2025, RCSAT officially merged into CDAT and RCSAT ceased to function at that point. These are the last accounts for RCSAT.

Objectives and activities

Objects and aims

To advance, for the public benefit, education in the UK, particularly in developing academy schools which are either:

Church of England schools with a related ethos, or

Other academy schools with or without designated religious character, but having a matching ethos.

The focus of RCSAT is on primary schools.

Objectives, strategies and activities

For the reporting period to 31st March 2025, the main objectives have been to establish the RCSAT, determine its operation and management, develop the roles and responsibilities for the key personnel, maintain and control the budgets at each school and evolve the structure to include more schools wishing to join RCSAT.

Public benefit

The directors have complied with their duty to have due regard to the guidance on public benefit issued by the Charity Commission in exercising their powers and duties.

Strategic report

Achievements and performance

The 3 Local Governing Committees (LGCs) established following the restructuring of Governance within the Trust have taken over the detailed work of the previous standing committees (Achievement, Pastoral, Estates, Finance/HR and Pay) for their academy school and the terms of reference for these LGCs have been set and agreed. The work of those LGCs has progressed well in the last year. The Policies and Procedures have been normalised across the 3 schools, as far as is practicable and the budgets for each school were controlled. An RCSAT central office continues to assist in managing the RCSAT and the school budgets.

Key performance indicators

Specific KPIs for RCSAT have not been set, other than the continued performance data and budgetary control for each school, and are not considered necessary at this stage of the Trust's development. The EHT reports to the Directors on all key aspects of school management, including Pupil attendance.

Going concern

The assets and activities of Rural Church Schools Academy Trust transferred to Chester Diocesan Academies Trust on 1st April 2025. The accounts have therefore not been prepared on the going concern basis, however, balances remain unchanged as they have transferred to Chester Diocesan Academies Trust.. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

Financial review

The trustees consider that the level of surplus maintained in the period and the principal risks and uncertainties that are present have been managed satisfactorily. The results for the year are set out in the statement of financial activities.

The balance sheet shows that the academy has maintained a satisfactory level of reserves this year. The trustees continue to closely monitor expenditure and follow best value principles whilst seeking successful impact on student outcomes.

The academy's principal source of funding is through the ESFA in the form of a General Annual Grant. Additional funding is received from school generated activities such as holiday and after school clubs.

The directors consider the results satisfactory.

Reserves policy

The directors aim to hold free reserves (total reserves less fixed assets and pension liability) in excess of one month's expenditure.

Investment policy

At this point in the establishment of RCSAT, no investments are being made or are planned.

Principal risks and uncertainties

The biggest single risk at each school is the loss of pupil numbers, on which the funding to the school is based. At present at the 3 schools, two are fully subscribed, one is recovering pupil numbers (from the effects of a poor OFSTED 6 years ago).

Plans for future periods

RCSAT's strategic plan was to increase the number of academy schools within its control from 3 to 6 in the foreseeable future, but the lack of Government focus on academisation has meant that the pressure on schools to convert has diminished. This plan changed in September 2024, resulting in exploring the transfer of RCSAT into a larger trust. Chester Diocesan Academy Trust was selected as an appropriate trust for a transfer and the formal transfer will now take place on 1st April 2025 into Chester Diocesan Academy Trust (CDAT), exactly eight years since the Trust was established. As chair of the Trust for all of its eight years, I would like to take the opportunity to thank all the Directors, past and present, for their service to the Trust and their support to me.

Auditor

In so far as the directors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

A resolution proposing that Afford Bond Holdings Limited be reappointed as auditor of the charitable company will be put to the members.

The directors' report, incorporating a strategic report, was approved by order of the board of directors, as the company directors, on 28 July 2025 and signed on its behalf by:

RURAL CHURCH SCHOOLS ACADEMY TRUST

GOVERNANCE STATEMENT

FOR THE PERIOD ENDED 31 MARCH 2025

Scope of responsibility

As directors, we acknowledge we have overall responsibility for ensuring that Rural Church Schools Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of directors has delegated the day-to-day responsibility to the Executive Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Rural Church Schools Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of directors any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Directors' Report and in the Statement of Directors' Responsibilities. The board of directors has formally met 3 times during the period. Attendance during the period at meetings of the board of directors was as follows:

Directors	Meetings attended	Out of possible
P Bostock	3	3
N Badger	3	3
Rev P North	2	2
Rev T Hayward	0	2
B Holdcroft	2	2
Jo Griffith		

As a result of a review of Governance undertaken during the summer 2021, RCSAT changed to a Board of Directors supporting Local Governing Committees (LGCs) at each academy school in the Trust, abolishing the existing standing committees. This change was implemented in September 2021 with each LGC being fully established. The composition of each LGC includes staff and parent representation, as well as independent skills-based appointees, giving a good range of abilities and specialist knowledge across the Trust.

The BoD is actively recruiting skills-based independent persons to augment its numbers.

The directors have received and analysed performance and financial data from all three academies and have challenged and accepted the data as reasonable.

A review of governance effectiveness and the knowledge and understanding of governors is carried out annually and is reported in the Board minutes. The results of this exercise inform the development of future training needs for governors and Directors.

Review of value for money

As accounting officer the Executive Headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of directors where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Establishing and maintaining financial controls on the budgets of all three schools through the CFO,
- Ensuring that pupil premium is used correctly and effectively,
- Establishing and monitoring the use of funds through competitive tendering and prudent purchasing,
- Benchmarking across the schools and outside RCSAT to identify best practice in Education.

RURAL CHURCH SCHOOLS ACADEMY TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE PERIOD ENDED 31 MARCH 2025

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Rural Church Schools Academy Trust for the period 1 September 2024 to 31 March 2025 and up to the date of approval of the annual report and accounts.

Capacity to handle risk

The board of directors has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of directors is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2024 to 31 March 2025 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the board of directors.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of directors;
- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of directors has considered the need for a specific internal audit function and has decided:

- not to appoint an internal auditor. However the directors have appointed A Denton, a director, to carry out a programme of internal checks.
- An Audit and Risk Committee, as part of the Directors' remit, has been established to review the Monthly Management Accounts (MMAs) and other Risk matters.

The reviewers role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems.

The reviewer reports to the board of directors on the operation of the systems of control and on the discharge of the financial responsibilities of the board of directors.

No material control issues have been identified.

Review of effectiveness

As accounting officer the Executive Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the period in question the review has been informed by:

- the work of the internal reviewer
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE PERIOD ENDED 31 MARCH 2025

The accounting officer has been advised of the implications of the result of their review of the system of internal control and a plan to address weaknesses and ensure continuous improvement of the system is in place.

It should be noted that this is the Final report of the Rural Church Schools Academy Trust (RCSAT), as on 1st April 2025, RCSAT merged into Chester Diocesan Academy Trust (CDAT) following negotiations over the previous year.

RURAL CHURCH SCHOOLS ACADEMY TRUST

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE PERIOD ENDED 31 MARCH 2025

As accounting officer of Rural Church Schools Academy Trust, I have considered my responsibility to notify the academy trust board of directors and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2024.

I confirm that I and the academy trust's board of directors are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2024.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of directors and ESFA.

RURAL CHURCH SCHOOLS ACADEMY TRUST

STATEMENT OF DIRECTORS' RESPONSIBILITIES

FOR THE PERIOD ENDED 31 MARCH 2025

The directors (who also act as trustees for Rural Church Schools Academy Trust) are responsible for preparing the directors' report and the accounts in accordance with the Academies Accounts Direction 2024 to 2025 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the directors to prepare accounts for each financial year. Under company law, the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

RURAL CHURCH SCHOOLS ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RURAL CHURCH SCHOOLS ACADEMY TRUST

FOR THE PERIOD ENDED 31 MARCH 2025

Opinion

We have audited the accounts of Rural Church Schools Academy Trust for the period ended 31 March 2025 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the accounts, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

As disclosed in notes 1.2 and 23 of the accounts, the assets and activities of Rural Church Schools Academy Trust transferred to Chester Diocesan Academies Trust on 1st April 2025. The accounts have therefore not been prepared on the going concern basis, however, balances remain unchanged as they have transferred to Chester Diocesan Academies Trust.

Conclusions relating to going concern

Our conclusions relating to going concern are as disclosed in the Emphasis of matter paragraph above.

Other information

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report including the incorporated strategic report for the financial period for which the accounts are prepared is consistent with the accounts; and
- the directors' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

RURAL CHURCH SCHOOLS ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RURAL CHURCH SCHOOLS ACADEMY TRUST (CONTINUED)

FOR THE PERIOD ENDED 31 MARCH 2025

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error. In preparing the accounts, the directors are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Our procedures are developed based on risks identified from our knowledge of the entity, its environment, the significant laws and regulations governing its activities and of the related parties and service organisations connected with it. We also consider how the systems and controls the entity has put in place over its activities might mitigate risks identified.

Audit response to risks identified

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we undertook procedures which included, but were not limited to:

- Enquiry of management, those charged with governance around actual and potential litigation and claims.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness,

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RURAL CHURCH SCHOOLS ACADEMY TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO RURAL CHURCH SCHOOLS ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE PERIOD ENDED 31 MARCH 2025

In accordance with the terms of our engagement letter dated 8 November 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2024 to 2025, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Rural Church Schools Academy Trust during the period 1 September 2024 to 31 March 2025 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Rural Church Schools Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Rural Church Schools Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Rural Church Schools Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Rural Church Schools Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Rural Church Schools Academy Trust's funding agreement with the Secretary of State for Education dated 29 March 2017 and the Academy Trust Handbook, extant from 1 September 2024, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2024 to 2025. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2024 to 31 March 2025 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Review of sample expenditure to ensure appropriate use of funds
- Review of controls and procedures for efficacy of control
- Review of journal entries to ensure that these are accurate and legitimate
- Review of terms of revenue and capital funding to ensure funds used as intended

FOR THE PERIOD ENDED 31 MARCH 2025

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2024 to 31 March 2025 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

RURAL CHURCH SCHOOLS ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 MARCH 2025

1 Accounting policies

Rural Church Schools Academy Trust is a charitable company. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the directors' report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

These accounts have been prepared for the period 1 September 2024 to 31 March 2025 which is a period of less than twelve months.

1.2 Going concern

The directors assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust is not regarded as a going concern. Rural Church Schools Academy Trust transferred to Chester Diocesan Academies Trust on 1st April 2025 so the Schools will continue in operation, however, the charitable company Rural Church Schools Academy Trust will cease to operate from this date. The accounts have therefore not been prepared on the going concern basis, however, balances remain unchanged as they have been transferred to Chester Diocesan Academies Trust.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

(Continued)

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Land and buildings	Straight line over the life of the lease
Computer equipment	Straight line over 3 years
Fixtures, fittings & equipment	Straight line over 5 to 10 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the directors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

RURAL CHURCH SCHOOLS ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 31 MARCH 2025

2 Critical accounting estimates and areas of judgement

(Continued)

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 March 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

The trustees do not believe there to be any areas of judgement critical to the academy trust's financial statements.

Key management personnel

The key management personnel of the academy trust comprise the directors and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £179,141 (2024: £274,203)

11 Directors' remuneration and expenses

One or more of the directors has been paid remuneration or has received other benefits from an employment with the academy trust. The Principal and other staff directors only receive remuneration in respect of services they provide undertaking the roles of Principal and staff members under their contracts of employment, and not in respect of their services as directors.

The value of directors' remuneration and other benefits was as follows:

Mrs N Badger (Executive Headteacher, Principal and trustee):

Remuneration: £45,000 - £50,000 (2024: £75,000 - £80,000)

Employer pension contributions: £10,000 - £15,000 (2024: £15,000 - £20,000)

12 Directors' and officers' insurance

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects directors and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business, and provides cover up to £10,000,000. It is not possible to quantify the directors and officers indemnity element from the overall cost of the RPA scheme.

(Continued)

The specific purposes for which the funds are to be applied are as follows:

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education and Skills Funding Agency and Department for Education.

Under the funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 March 2025.

19 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Cheshire West and Chester Council. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The result of this valuation will be implemented from 1 April 2024. The next valuation result is due to be implemented from 1 April 2028.

The employer's pension costs paid to the TPS in the period amounted to £167,853 (2024: £255,639).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the academy trust has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 23.4% for employers and 5.5% to 12.5% for employees. The estimated value of employer contributions for the forthcoming year is £126,000.

An actuaries report has not been available for period end 31 March 2025, so the fair value of scheme assets has been taken to be the fair value as reported at 31 August 2024 plus contributions received in the period to 31 March 2025. The net of interest income and interest cost has been estimated at nil, and no actuarial gain or loss has been recognised. Service cost has been estimated to be equal to employer contributions made such the movement in scheme liabilities is contributions received. Principal actuarial assumptions are those from the 31 August 2024 report.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.
